Pete the Cat and his family go on a cross-country adventure in this Level 1 I Can Read tale from New York Times bestselling creators Kimberly and James Dean! Pete the Cat and his family are ready explore all the many wonderful American landmarks on their fun family road trip! They visit many famous sights, including Niagara Falls, New Orleans, Savannah, and more. Of course, no true road trip is complete without a flat tire! But the Cat family isn't going to let a small setback get in the way of fun... Pete the Cat's Family Road Trip is a Level I Can Read book, complete with original illustrations from the creators of Pete the Cat, Kimberly and James Dean, and is perfect for children learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own.

Published to benefit the SPCA, a lighthearted treasury by the creators of the Hot Guys and Baby Animals Wall Calendar features photographs of attractive, often shirtless male models with adorable baby animals and is complemented by tongue-in-cheek captions about their likes and dislikes.

The epic battle between good and evil is played out in this humorous gift book, Cat Wars. Kitty warriors attempt to vanquish villainy from the universe by wielding powerful light sabers and spouting Star War-esque sayings. What a cat-astrophe! Cat and Star Wars lovers alike will find this gift book highly entertaining and humorous. This "is" the perfect gift book you are looking for.

The first book by beloved and prolific French artist Nathalie L\u00e9t\u00e9, whose work is sold at Anthropologie, Astier de Villatte, and numerous other upscale homeware stores worldwide.

The pictures are paired with tongue-in-cheek captions showcasing the likes and dislikes of both the man and the kitten. Like the guys themselves, this book is the perfect combination of cute, sexy, and funny. You'll find yourself saying "ooh" and "aw" at the same time!

Cats are done with humans' crap. For too long they have put up with baby talk, the humiliation of holiday costumes, and the social injustice of being told, "No." They will not sleep through this anymore. We humans have woken the beast, and in this book they have gathered together to reclaim their voice, loudly and repeatedly until we pay attention. Watch the uprising unfold, through anthems such as "Redefine Terms," "Accepted," "Decide," "A New Dawn," and "Just What Do You Think You're Doing?" Show support for your feline friends and try to understand why they're so spitting mad.

Adorable photos and witty captions of "the cutest cat in the world" (Good Morning America) Lil Bub is a star. The adorable "perma-kitten" might look a little different than other felines, but her tiny size, toothless mouth, and extra toes have made her the darling of cat lovers around the world. Aided by her human, this celebri-cat is finally satisfying her demanding public with a book. Showcasing 100 captioned full color photos of Lil BUB ---traveling through space, exploring the Earth, flying in hot air balloons, napping, and even skateboarding---Lil BUB's Lil Book is exactly what her millions of fans want. Sure to please fans of LOLcats and Boo: The Life of the World's Cutest Dog, Lil BUB's Lil Book is the perfect book for anyone who needs more cute in their lives.

Endearing cat photography complements a sequence of short advice columns written in the wry voices of kitties who would counsel humans on how to cope with romance, survive a social gathering or claw to the top of the corporate ladder, cat-style. --Publisher's description.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night---Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
