the interpretation of constitutional language is at issue. In a word, these lectures are about democracy and the constitution. They illustrate a democratic theme—“active liberty”—which resonates throughout the constitution. In discussing its role, I hope to illustrate how this constitutional theme can affect a judge’s interpretation of a

His latest book, *Active Liberty: Interpreting Our Democratic Constitution*, based on his Tanner Lecture presented at Harvard University in 2004, is a telling example of how a practical reflection on law can enrich the field of political philosophy. In this essay, Breyer explicitly casts himself as the heir of Benjamin

Active Liberty: Interpreting Our
Democratic Constitution (Breyer) I'm still
in the tail end of this book but have read
and thought about the main exposition of
his ideas in the first half. I'd say I am glad
to have read this, and I think it clarifies for
me how Breyer and those who agree with
his relatively activist constitutional
interpretation can do so without being
motivated entirely by contempt for the
electorate and the legislature.

~~[[Active Liberty: Interpreting Our
Democratic Constitution ...~~

Active Liberty: Interpreting Our Democratic Constitution is a 2005 book by United States Supreme Court Justice Stephen Breyer. The general theme of the book is that Supreme Court justices should, when dealing with constitutional issues, keep "active liberty" in mind, [1] which Justice Breyer defines as the right of the citizenry of the country to participate in government.

~~Active Liberty—Wikipedia~~

The active liberty theme is applied to several present-day issues, including campaign finance reform, congressional redistricting, privacy in an age of technological information gathering, and affirmative action. It is also applied to statutory interpretation and to the

Active Liberty emphasizes one theme that Breyer says runs through our primal document and that should help guide how we determine its meaning in a wide variety of cases: the idea of democratic participation. Breyer argues that our Constitution embodies not only a commitment to "negative liberty"
