Adobe Walls is a ghost town in Hutchinson County, 17 miles northeast of Stinnett, in the U.S. state of Texas. It was established in 1843 as a trading post for buffalo hunters and local Native American trade in the vicinity of the Canadian River. It later became a ranching community. Historically, Adobe Walls is the site of two decisive battles between Native Americans and settlers. In November 1864 First Battle of Adobe Walls, Native Americans successfully repelled attacking troops led by Kit Ca

Adobe Walls, Texas - Wikipedia

In the spring of 1874 a handful of men and one women set out for the Texas Panhandle to seek their fortunes in the great buffalo hunt. Moving south to follow the herds, they intended to establish a trading post to serve the hunter, or "hide men." At a place called Adobe Walls they dug blocks from the sod and built their center of operations
