All the Answers by Kate Messner - Fourth grade and Up- Realistic Fiction/Fantasy- Released in January 2015- This book hit a little too close to home. I loved reading every minute but the main character who is so fixated on worrying that life is passing her by is quite the powerful one to read about. I was quite touched by this story.

bestselling author of 11 Birthdays What if your pencil had all the answers? Would you ace every test? Would you know what your teachers were thinking? When Ava Anderson finds a scratched up pencil, she doodles like she would with any other pencil. But when she writes a question in the margin of her math quiz, she hears a clear answer in a voice no one else seems to hear. With the help of her friend Sophie, Ava figures out that the pencil will answer factual questions only--those with definite right or wrong answers--but won't predict the future. as the princess in the class play, Marty's absolutely, positively sure that there's been a huge mistake. But after a special lesson in the art of improvisation, Marty comes up with her OWN plan to IMPROVE the play: Why use stuffed-animal frog onstage when a live one would be so much better? In the end, Marty's one-of-a-kind performance makes for an unforgettable show. Maybe Marty CAN live happily ever after, after all!
