AP Chemistry Crash Course Second Edition Book + Online. This book is exactly what it says it is: a crash course. It's great for a quick review with material that has a very narrow focus on what actually appears on the final exam, as well as helpful strategies for answering the different types of questions.

[The Best AP Chemistry Review Book \(Ace Your Exam in 2020!\)](#)

The AP Chemistry Crash Course book is regularly recommended by teachers, and is a fantastic last-minute review prior to the exam. Overall, it's best used as a supplement to another more comprehensive resource, but it definitely has a strong place in the list of chemistry review books. Best AP Chemistry Flashcards
