It is included here so that it can be incorporated in tests for student reference. Questions in this test bank refer to this table as the “ language description table. ”

~~Computer Science An Overview 11th Edition Brookshear Test Bank~~

This is a good book as per its title - an overview of computer science - and a good fit for its intended audience: students venturing into computer science. The book touches on many computer science topics

Online Library Computer Science An Overview 11th

but does not go in-depth - just enough to give a primer for subsequent courses.
