designed to show you how to handle law school examination questions. Siegel's have been used by thousands of law students during the past decade, and any one will tell you why -- doing practice exam questions is the key to exam success. To ace your exams, you must (1) memorize blackletter principles and rules of law for each subject, and (2) understand how those principles of law arise within a test fact pattern. One of the most common misconceptions about law school is that you must memorize each word on every page of your casebooks or outlines to do well on exams. the reality is that you can commit an entire
