INSTANT NEW YORK TIMES
BESTSELLER “One of the most
important books I’ve ever

to thinking clearly about
the world.” – Bill Gates
“Hans Rosling tells the

File Type PDF Contextos Quiz

into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't

know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't

real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and
