Bars and restaurants are the theatres of tomorrow. Not only are they largely staffed by 'resting' actors, these days it's par for the course that an A-list celebrity is in overall control.

Stars and their bars

Which is fine, except the course his moral degeneration takes is on a par with that of a smutty schoolboy fumbling with the buttons of his first date when the girl can't see him and, thus ...

L'identité secrète de Daredevil est révélée à son ennemi de toujours, le Caïd. Le héros va alors vivre le moment le plus difficile de sa carrière et affronter de nombreux adversaires dont le redoutable Nuke. Découvrez aussi l'enfance de Matt Murdock à Hell's Kitchen et ses premiers pas en tant que justicier. Ces deux sagas, intitulées Renaissance et L'Homme sans Peur, sont signées Frank Miller, David Mazzucchelli et John Romita Jr. Des épisodes de la série Peter Parker, The Spectacular Spider-Man de Bill Mantlo complètent le sommaire.

Good ninjas never die, let alone the baddest one of all! Fan favorite Frank Miller ushers his awesome assassin through good and evil, life and death, rebirth and more! Who is the otherworldly entity in

pursuit of the presidency? When has Elektra met her greatest triumphs and tragedies? Why did she die, and how did she return? Where do smarmy cyborgs and killer dwarves come from? And What If all this had never happened at all? Guest-starring Daredevil! Collects Elektra: Assassin #1-8, Elektra Lives Again, Bizarre Adventures #28, What If? #35.

Collects Peter Parker, the Spectacular Spider-Man #27-28, and Daredevil #158-161 and #163-172.

Enjoy the acclaimed graphic novel as an ART BOOK! Each page of this classic story is reproduced from the original art--while appearing to be in black and white, the art is scanned IN COLOR, capturing all the nuances (blue pencil, white out, etc) and quirks that make original art unique! DAVID MAZZUCHELLI'S DAREDEVIL BORN AGAIN was released in the much lauded Artist's Edition format in 2012. It soon became the best-selling Artist's Edition of all-time and was universally acclaimed. In 2013 the book received the prestigious Eisner Award for Best Archival Project--Comic Books, as well as a Harvey Award the same year. It soon sold out and has been the single most requested AE book to date for IDW to reissue. So it is only fitting that IDW launch its new MARVEL series of Artisan books with this award-winning classic! Just as the original release, DAVID MAZZUCHELLI'S DAREDEVIL BORN AGAIN ARTISAN EDITION features the same scans--entirely from the original art--each painstakingly done by David Mazzucchelli himself to ensure the finest quality possible. If ever a book deserved to be in this format it is Daredevil Born Again. Frank Miller, at the peak of his powers, crafted a story that remains--in an extraordinary career--one of his finest pieces of writing. And David Mazzucchelli does a stellar tour de force job as his collaborator, providing a nuanced and nearly pitch-perfect turn as artist. If there is any book deserving to be re-read and rediscovered... this is the one!

Asterios Polyp, its arrogant, prickly protagonist, is an award-winning architect who's never built an actual building, and a pedant in the midst of a spiritual crisis. After the structure of his own life falls apart, he runs away to try to rebuild it into something new.

Collects Daredevil (2019) #1-6. The next chapter in the ever-surprising saga of Daredevil! After a brush with death, Matt Murdock must piece together his shattered life and that includes returning to action as Daredevil! But years of trauma have taken their toll, and becoming the guardian of Hell's Kitchen he once was won't be easy. Mistakes will be made along the way and this time, one might actually prove to be the end of him. Because when a criminal dies, and Daredevil takes the blame, Matt must go on the run in a desperate bid to clear his name! But even he can't outrun judgment forever. And with DD's absence from Hell's Kitchen, the real devils can come out to play.

The hotly-anticipated eco-fiction tech thriller-meets-love-story from the award-winning, visionary team of Ann Nocenti (Daredevil, Ruby Falls) and David Aja (Hawkeye, Immortal Iron Fist)! The bees are swarming. What do they know that we don't? In a broken-down world, a rebellious group of ruthless romantics have fled a tech-obsessed society to create their own...and a few cantankerous aliens have come to harvest the last seeds of humanity. When one of them falls in love with a human, idealistic journalist Astra stumbles into the story of a lifetime, only to realize that if she reports it, she'll destroy the last hope of a dying planet. How far will she go for the truth? Collects The Seeds #1-#4. "The perfect book for these deeply imperfect times." -- Matt Fraction "Beautifully drawn, cleverly constructed and very satisfying." -- Frank Quitely

Photographic imagery has come a long way from the pinhole cameras of the nineteenth century. Digital imagery, and its applications, develops in tandem with contemporary society's sophisticated literacy of this subtle medium. This book examines the ways in which digital images have become ever more ubiquitous as legal and medical evidence, just as they have become our primary source of news and have

replaced paper-based financial documentation. Crucially, the contributions also analyze the very profound problems which have arisen alongside the digital image, issues of veracity and progeny that demand systematic and detailed response: It looks real, but is it? What camera captured it? Has it been doctored or subtly altered? Attempting to provide answers to these slippery issues, the book covers how digital images are created, processed and stored before moving on to set out the latest techniques for forensically examining images, and finally addressing practical issues such as courtroom admissibility. In an environment where even novice users can alter digital media, this authoritative publication will do much so stabilize public trust in these real, yet vastly flexible, images of the world around us.
