New York Times bestselling author Stephen R. Donaldson presents the first novel of the four-volume finale to the series that's become a modern fantasy classic: The Chronicles of Thomas Covenant. Thomas Covenant lost everything. Abandoned by his wife and child, sick and alone, he was transported while unconscious to a magical, dreamlike world called the Land. Convinced it was all a delusion, Covenant was christened The Unbeliever by the Land's inhabitants—but gave his life to save this new-found world he came to regard as precious. Ten years after Covenant's death, Linden Avery still mourns for her beloved companion. But a violent confrontation with Covenant's son, who is doing the evil Lord Foul's bidding, forces her into the Land, where a dark malevolence is about to unmake the laws of nature—and of life and death itself. It is here that she comes upon Esmer, son of the Dancers of the Sea, a creature of strange powers who draws Linden backwards through time to witness Thomas Covenant's return to life, and to reinvent the mysterious, dangerous, and violent history of the Land.

From the age of four, Angel Whisperer Kyle Gray has been blessed by the presence of angels. They stood alongside him as he developed his talents to become the UK's youngest professional psychic medium at the age of sixteen. In this book, Kyle takes the reader on an emotional and uplifting journey into the world of angels. He reveals his own beautiful and inspiring story of learning to communicate with the other side, which started when his beloved grandmother passed over. This communication was to become his vocation and purpose, and Kyle is now known for the startling accuracy of his readings. Drawing on his years of experience helping people to share the wisdom and messages of the angels, Angels Whisper in My Ear teaches you ways in which you too can make your own connections, change your ways of thinking and finally achieve everything you have ever dreamed of. An intensely personal and moving book, it offers comfort, wisdom and practical advice that will help transform your life.

Guide to Working and Healing with Divinities and Deities. Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."
