Economics in One Lesson by Henry Hazlitt. This primer on economic principles brilliantly analyzes the seen and unseen consequences of political and economic actions. In the words of F.A. Hayek, there is "no other modern book from which the intelligent layman can learn so much about the basic truths of economics in so short a time."

Economics in One Lesson - Foundation for Economic Education

With over a million copies sold, Economics in One Lesson is an essential guide to the basics of economic theory. A fundamental influence on modern libertarianism, Hazlitt defends capitalism and the free market from economic myths that persist to this day.

Economics in One Lesson: Amazon.co.uk: H Hazlitt ...

Hazlitt begins by describing the one lesson that is most essential in studying the economy: " The art of economics consists in looking not merely at the immediate but at the longer effects of any act or policy; it consists in tracing the consequences of that policy not merely for one group but for all groups. " (cont. at <http://www.redwhiteandblog.org/2012/08/04/the-book-every-american-must-read/>)

Review Questions for Henry Hazlitt ' s Economics In One Lesson

Economics in One Lesson is an introduction to economics written by Henry Hazlitt and first published in 1946. It is based on Frédéric Bastiat's essay Ce qu'on voit et ce qu'on ne voit pas. The "One Lesson" is stated in Part One of the book: The art of economics consists in looking not merely at the immediate but at the longer effects of any act or policy; it consists in tracing the consequences of that policy not merely for one group but for all groups. Part Two consists of twenty-four ...

Economics in One Lesson - Wikipedia

conomics in One Lesson. Let us now get down to some specifics. The core of this book is, surely, the lesson: " the art of economics consists in looking not merely at the immediate but at the longer effects of any act or pol-icy; it consists in tracing the consequences of that policy not merely for one group but for all groups. "

Economics in One Lesson

Economics teaches us to be mindful of what things cost and who pays for them. Socialists and progressives are allergic to such matters. Even in the face of massive annual budget deficits and a national debt exceeding \$22 trillion here in America, they propose " free " stuff by the boatload.

Henry Hazlitt Economics in One Lesson Flashcards | Quizlet

In 1946, Henry Hazlitt wrote Economics in One Lesson. He did not know that it would become a classic. It has never been out of print since 1946. Hazlitt was a great teacher. He became a mentor for me when I was getting started. I was not unique. He helped a lot of young economists. His book is great for high school students.
