On their way home, Elmer and a flying dragon land on an unusual island and help some canaries uncover a buried treasure in this second installment of the My Father's Dragon's trilogy. Illustrations.

One cold rainy day when my father was a little boy, he met an old alley cat on his street. The cat was very drippy and uncomfortable so my father said, "Wouldn't you like to come home with me?" This surprised the cat—she had never before met anyone who cared about old alley cats—but she said, "I'd be very much obliged if I could sit by a warm furnace, and perhaps have a saucer of milk."

"A real delight." — The New Yorker When Elmer Elevator strikes up a friendship with an alley cat, he learns of a baby dragon that is being forced to serve as a ferry for the selfish animals of Wild Island. Elmer determines at once to free the enslaved dragon, and with a bit of advice from the savvy cat, he arms himself with chewing gum, lollipops, rubber bands, and some other unlikely items. With these tools and his own sharp wits, Elmer is prepared to face hungry tigers, cranky crocodiles, and other challenges. Both a Newbery Honor Book and an American Library Association Notable Book, this charming story has delighted generations of readers since its original publication in 1948. The imaginative tale has served as inspiration for a play, as well as a Japanese anime version and a forthcoming animated film. With bold artwork newly reproduced from the artist's originals, this edition of My Father's Dragon is the definitive version of an enduring children's classic.

Elmer must come once again to the aid of Boris, his flying baby dragon, when men discover its retreat and begin to hunt it, in the final installment of the My Father's Dragon trilogy. Reissue.

Rediscover the classic fantasy trilogy beginning with Newbery Honor winner My Father's Dragon in this 50th anniversary edition that includes three timeless tales in one, with original illustrations! A perfect family read aloud that has delighted parents and children for generations--this is the perfect gift to share some magic this Father's Day! My Father's Dragon When Elmer Elevator hears about the plight of an overworked and underappreciated baby flying dragon, he stows away on a ship and travels to Wild Island to rescue the dragon. Elmer and the Dragon A stand-alone sequel to My Father's Dragon, in which Elmer Elevator and the flying baby dragon help the king of the canaries find treasure. The Dragons of BlueLand In this third and final installment of the classic My Father's Dragon trilogy, Boris, the

baby dragon, is excited to be heading home to Blueland and looks forward to reuniting with his family.

Elmer Elevator and the flying baby dragon help the king of the canaries find treasure.

My Father's Dragon is a children's novel by Ruth Stiles Gannett about a young boy, Elmer Elevator, who runs away to Wild Island to rescue a baby Dragon. The narrative mode is unusual, in that the narrator refers to the protagonist only as "my father", giving the impression that this is a true story that happened long ago. The illustrations within the book are black and white done with a grease crayon on a grained paper, done by Ruth Chrisman Gannett, who also illustrated other children's books such as My Mother Is the Most Beautiful Woman in the World, Paco Goes to the Fair, Miss Hickory, Hipo the Hippo, and adult books such as Tortilla Flat by John Steinbeck.

Traditional Chinese edition of Ruth Stiles Gannett's Three Tales of My Fathers Dragon series: My Fathers Dragon, Elmer and the Dragon, the Dragons of Blueland. My Fathers Dragon is the 1948 Newbery winner and Elmer and the Dragon, the Dragons of Blueland are its sequels. Fun fact: the Traditional Chinese edition of the three books is published in 2012 to coincide with the Chinese Year of the Dragon. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc.
