Updated in its 13th edition, Joseph Devito's *The Interpersonal Communication Book* provides a highly interactive presentation of the theory, research, and skills of interpersonal communication with integrated discussions of diversity, ethics, workplace issues, face-to-face and computer-mediated communication and a new focus on the concept of choice in communication. This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and, at the same time, guides readers to improve a wide range of interpersonal skills. The text emphasizes how to choose among those skills

and make effective communication choices in a variety of personal, social, and workplace relationships

This book introduces the concept of financial capability and assembles the latest evidence from ground-breaking innovations with financially vulnerable families, and links it to education, policy, and practice. It is a key resource for those interested in improving financial education and financial products and services for low-income families.

This legal environment text offers balanced coverage of private law and public law. To illustrate the legal
