Anomic aphasia - Wikipedia

If you or a loved one has been diagnosed with Alzheimer's or related dementia, one of the areas that were probably assessed—in addition to memory, judgment, and general cognitive functioning—is word-finding difficulty. Just as the phrase sounds, word-finding difficulties mean that a person has difficulty choosing or recalling the right word to adequately express a thought.

Find The Right Words | Stamma. from stammering. 2 months ago. Stamma, the British Stammering Association's new campaign in collaboration with Wikipedia to change the public 's perception of stammering. We edited negative language on Wikipedia used to describe people who stammer including Ed Sheeran, Emily Blunt, Samuel L. Jackson, Charles ...

Twenty case studies explaining how to gently deliver a range of life's most awkward messages while causing minimal harm. Life constantly requires us to give other people some hugely awkward messages: that we don't love them anymore; that we do love them (though we're not meant to); that they smell a bit; that they're fired; that we're furious with them (though we adore them) or that their music is too loud... Often, out of embarrassment, we just stay quiet. Occasionally we explode. And typically, we stumble about, looking for the right words - dreading that we didn't find them and thereby causing more hurt than we should. This is a book to help us locate the best possible words to get across a range of life's most difficult messages. With twenty case studies drawn from relationships, friendships, work, our families, and social situations, we are gently shown what we might - in an ideal world - find

ourselves saying to make our intentions known while causing minimal harm. We are guided, among other topics, to how best to end a relationship, how to make it up with a child, and how gently to let down a friend who wants more. We laugh, we recognize our troubles - and we're introduced to a range of deeply empathetic ways to navigate some of our most acute social dilemmas.

young readers how a thesaurus can be used to help them become more precise and descriptive in their writing.

"This memoir tells the story of a man's deterioration from Alzheimer disease from two perspectives. His daughter, an English professor at Caltech, describes her father's dementia, using her expertise in language and literature as a way to frame his loss of words, spatial orientation, identity, behavioral decorum, and memory. The physician, an academic neurologist at the University of California at San Francisco, explains the science behind Alzheimer disease using his expertise in neurology, articulating to a general audience how dementia assaults the brain"--

Isidore of Seville (circa 570-636) was the author of the *Etymologiae*, the most celebrated and widely circulated encyclopaedia of the western Middle Ages. In addition, Isidore's *Synonyma* were very successful and became one of the classics of medieval spirituality. Indeed, it was the *Synonyma* that were to define the so-called 'Isidorian style,' a rhymed, rhythmic prose that proved influential throughout the Middle Ages. *Finding the Right Words* is the first book-length study to deal with the transmission and reception of works by Isidore of Seville in Anglo-Saxon England, with a particular focus on the *Synonyma*. Beginning with a general survey of Isidore's life and activity as a bishop in early seventh-century Visigothic Spain, Claudia Di Sciacca offers a comprehensive introduction to the *Synonyma*, drawing special attention to their distinctive style. She goes on to discuss the transmission of the text

## Read Book Find The Right Words With Thesauruses Explorer Junior Library Information Explorer Junior

to early medieval England and its 'vernacularisation,' that is, its translations and adaptations in Old English prose and verse. The case for the particular receptiveness of the *Synonyma* in Anglo-Saxon England is strongly supported by both a close reading of primary sources and an extensive selection of secondary literature. This rigorous, well-documented volume demonstrates the significance of the *Synonyma* to our understanding of the literary pretensions and pedagogical practices of Anglo-Saxon England, and offers new insights into the interaction of Latin and vernacular within its literary culture.

The third collection of words to live by, from poet and social media wordsmith Donna Ashworth. Jam-packed full of prose to bring comfort, inspiration and joy. Donna's words are constantly flying around the internet bringing people together and most importantly, sharing our collective struggles with just the right words, when you need them most. This collection is the largest and most beautiful yet, guaranteed to strike a chord or twenty. A perfect gift from one woman to another, this book is the kind you pick up every day and somehow find exactly what you're looking for. Quite simply, heart-warming and uplifting. Praise for Donna: "Donna has an incredible talent for capturing moments and moods through her words. Thoughtful, uplifting and inspiring." Kate Thornton, Presenter "When you feel weary, Donna's words work through you to calm your spirit and ignite your soul. Her words have become a trusted friend and a true salve." Kelley Wolf, Speaker/Coach and founder of FLOW "Our thoughts can so easily 'think' us into chaos. Donna's beautiful words never fail to meet us there within our jumbled reality. Words that give comfort, perspective, empathy and love. It's like she reaches into my soul and shows me 'it's okay'. Sharon Riley - Finding Your Fabulous "Donna's beautiful words have a way of climbing inside
