John Milton is a ghost. He was Number One. The most dangerous assassin in Group Fifteen, the black-ops organisation that solves problems when diplomacy has failed. Now Milton is Her Majesty's most wanted fugitive - an anonymous loner with a deadly set of skills. So when he is arrested following a brawl in a Texas bar, the last person he expected to bail him out was a glamorous operative from the Russian Secret Service. Milton is blackmailed into finding his predecessor as Number One. But she's a ghost, too, and just as dangerous as him. He finds himself in deep trouble, playing the Russians against the British in a desperate attempt to save the life of his oldest friend. Some ghosts are better left alone. But these two have been disturbed and now there's going to be hell to pay. This, the fifth book in the best-selling John Milton series, is his most action-packed adventure yet. Read about the damaged hero that reviewers are describing as 'the English Jack Reacher.'

Milton saves the life of an idealistic young journalist who has been targeted for execution but the only way to keep her safe is to smuggle her into Texas. Working with the only untouchable cops in the city, and a bounty hunter whose motives are unclear, Milton must keep her safe until the crossing can be made. But when the man looking for her is the legendary assassin Santa Muerta - Saint Death - that's a lot easier said than done...

John Milton is trying to make amends for a career spent killing for the British Secret Service. He has a burning need to right wrongs - and rewrite his own bloody past. He finds himself in Louisiana - the Big Sleazy, the bayou, and the post-Katrina wreckage of the Gulf Coast - with a debt of honor to repay. Isadora Bartholomew, who saved his partner's life, needs his help. Joel Babineaux, a ruthless property magnate, is out to sink the charity she established to help rebuild the Lower Ninth Ward. Just when Milton thinks he has neutralised Babineaux's scheming, a dangerous man from his past takes an unhealthy interest in his present. Claude Boon used to work for the Mossad and might be more than Milton can handle. And then the stakes get even higher... A man called Milton walks into town...On the run from his own demons, John Milton treks through the Michigan wilderness into the town of Truth. He's not looking for trouble, but trouble's looking for him. He finds himself up against a small-town cop who has no idea with whom he is dealing, and no idea how dangerous he is. But Milton is double crossed and badly injured. Unarmed and alone, he flees into the remote Porcupine Mountains with a posse on his tail. His enemies thought they could hunt him down. That was a mistake and, where Milton is concerned, one mistake is all you get. From best-selling author Mark Dawson (the John Milton and Beatrix Rose series), *The Sword of God* is the latest in the acclaimed series of thrillers that readers love.

Ex-MIC assassin John Milton has started to hope that he might have a future. He has a job driving a taxi around the streets of San Francisco. He has his anonymity and his solitude. But that's all about to change...

It's South Africa 1990. Two major events are about to happen: the release of Nelson Mandela and, more importantly, it's Spud Milton's first year at an elite boys only private school. Cursed with parents from well beyond the lunatic fringe, a senile granny, and a dormitory full of strange characters, Spud has his hands full trying to adapt to his new home. Surrounded by names such as Gecko, Rambo, Rain Man and Mad Dog, Spud takes his first tentative steps along the path to manhood. (The path, it seems, could be a rather long road.) Armed with only his wits and his diary, Spud takes us from illegal night swimming to the red-hot furnace of the cricket pitch, from ghostbusting to a catastrophic family vacation. He also invites us into the

"Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child. Milton offers to help, but, before he can, Eddie is found dead in circumstances that Milton considers suspicious. And then events take a turn that no-one could have anticipated... Milton's attempted good deed becomes a quest to unveil corruption at the highest levels of government and murder at the dark heart of the criminal underworld. Milton is pulled back into the game, and that's going to have serious consequences for everyone who crosses his path"Publisher description.

When a Russian defector is assassinated in a sleepy English seaside town, Group Fifteen agents John Milton and Michael Pope find themselves in a rush to uncover the culprits and bring them to justice. Their investigation leads them to Moscow and a confrontation with Directorate S, the agency responsible for seeding Russian sleeper agents around the world. When lies and double crossing mean that no-one is what they seem, the two agents - alone and without backup - struggle to achieve their goals under the most dangerous of circumstances. Set one week before the opening of *The Cleaner*, this compulsive thriller turns back the clock to Milton as a barely functioning alcoholic, still tormented by the ghosts of the men and women he has killed in the service of his country. and escape with his life? --

Bury your enemies, and bury them deep. John Milton thought he was done with Avi Bachman. The most dangerous man he's ever known has been incarcerated in Angola, the brutal Louisiana prison. Inmates rarely leave Angola. Once you go in, the only way out is in a box. But Bachman is no ordinary prisoner. He was an assassin for the Mossad, and he has favours to call in. Milton is in the Australian outback with an old friend and his flirtatious kid sister, looking for a summer's peace to put his troubled mind to rest. But Bachman has other plans. He thinks that Milton killed his wife, and now he wants revenge. From Australia to Israel, from Hong Kong to Croatia, here is the conclusion of this brutal chapter in Milton's life. The two headhunters are on a collision course, and only one of them will walk away. Mark Dawson is the new master of the page-turning thriller and more than 350,000 copies of the Milton series have been downloaded since it was first published. Don't start this book in bed - you will lose sleep.
