This book provides an overview of the content and functioning of the Indian Constitution, with an emphasis on the broader socio-political context. It focuses on the overarching principles and the main institutions of constitutional governance that the world's longest written constitution inaugurated in 1950. The nine chapters of the book deal with specific aspects of the Indian constitutional tradition as it has evolved across seven decades of India's existence as an independent nation. Beginning with the pre-history of the Constitution and its making, the book moves onto an examination of the structural features and actual operation of the Constitution's principal governance institutions.

Online Library Indian Consution Parts Schedules

These include the executive and the parliament, the institutions of federalism and local government, and the judiciary. An unusual feature of Indian constitutionalism that is highlighted here is the role played by technocratic institutions such as the Election Commission, the Comptroller and Auditor General, and a set of new regulatory institutions, most of which were created during the 1990s. A considerable portion of the book evaluates issues relating to constitutional rights, directive principles and the constitutional regulation of multiple forms of identity in India. The important issue of constitutional change in India is approached from an atypical perspective. The book employs a narrative form to describe the twists, turns and challenges confronted

Online Library Indian Consution Parts Schedules

across nearly seven decades of the working of the constitutional order. It departs from conventional Indian constitutional scholarship in placing less emphasis on constitutional doctrine (as evolved in judicial decisions delivered by the High Courts and the Supreme Court). Instead, the book turns the spotlight on the political bargains and extra-legal developments that have influenced constitutional evolution. Written in accessible prose that avoids undue legal jargon, the book aims at a general audience that is interested in understanding the complex yet fascinating challenges posed by constitutionalism in India. Its unconventional approach to some classic issues will stimulate the more seasoned student of constitutional law and politics.

Online Library Indian Consution Parts Schedules And Articles At A Glance

This book highlights the evolution of India ' s Constitution into a tool for social revolution, tracing the various stages through which the law on the Right to Property and its relationship with the idea of socialism—as laid out in Parts III and IV of the Constitution—have evolved. It underlines that the road to social revolution has been marked by a process where attempts to give effect to the idea of justice—social, economic, and political—as laid down in the Preamble have achieved a measure of success. If the Constitution, including the Preamble, is to be viewed as a contract that the people of India had entered into with the political leadership of the times

Online Library Indian Consution Parts Schedules

And the judiciary being the arbitrator to ensure justice, it may be held that the scheme has worked. This book traces this history by placing the judicial and legislative measures in the larger context of the political discourse.

The Constitution of India is an indispensable guide for every citizen of India and part of all administrative services examinations including Civil Services Examination and other State level Examinations or SSC. This importance can be identified from the fact that almost on a consistent basis we have 10 to 15 questions from the Constitution of India in preliminary examination and it serves as the base of General Studies-2 in Main Examination with 5 to 6 questions (around 70-80 marks) each year. The

Online Library Indian Consution Parts Schedules

importance of Indian Polity increases more if it happens that you have Law, Public Administration, Political Science or any other optional subject which requires understanding on the Constitution of India. So, to make you better aware on the Constitution of India and give greater insights on handling the questions in both stages of the Examination, we have developed this book as the most updated Constitution of India for competitive examination (up to last Amendment, i.e. 103rd) along with previous year questions asked by UPSC in Preliminary Examination (up to 2019) and Mains Examination (2013-18). Strong efforts are made to identify the changing perspectives from the Union Public Service Commission (UPSC) and those perspectives are added to help you in

Online Library Indian Consution Parts Schedules

Understanding the current political and administrative developments of India in refined way and secure good marks in Civil Services and other competitive examinations.

The Constitution of India is the supreme law of land. The document lays down extensively the framework demarcating fundamental political code, structure, procedures, powers, and duties of government institutions and sets out fundamental rights, directive principles, and the duties of citizens. It is the longest written constitution of any country on earth. B. R. Ambedkar, chairman of the drafting committee, is widely considered to be its chief architect. Constitution is a living

Online Library Indian Consution Parts Schedules

document, an instrument which makes the government system work. Its flexibility lies in its amendments. In this edition, the text of the Constitution of India has been brought up-to-date by incorporating therein all amendments made by Parliament up to and including the Constitution (One Hundredth Amendment) Act, 2015 which contains details of acquired and transferred territories between the Governments of India and Bangladesh and the same has been included in Annexure. Good Readable Print !

The Indian Constitution is one of the world's longest and most important political texts. Its birth, over six decades ago, signalled the arrival of the first major post-colonial constitution and the world's largest and arguably most daring democratic

Online Library Indian Consution Parts Schedules

experiment. Apart from greater domestic focus on the Constitution and the institutional role of the Supreme Court within India's democratic framework, recent years have also witnessed enormous comparative interest in India's constitutional experiment. The Oxford Handbook of the Indian Constitution is a wide-ranging, analytical reflection on the major themes and debates that surround India's Constitution. The Handbook provides a comprehensive account of the developments and doctrinal features of India's Constitution, as well as articulating frameworks and methodological approaches through which studies of Indian constitutionalism, and constitutionalism more generally, might proceed. Its contributions range from rigorous, legal studies of

Online Library Indian Consution Parts Schedules

provisions within the text to
reflections upon historical trends and
social practices. As such the
Handbook is an essential reference
point not merely for Indian and
comparative constitutional scholars,
but for students of Indian democracy
more generally.
