It was characterized by the rise of abolition and the gradual polarization of the country between abolitionists and supporters of slavery.

Antebellum Period -

HistoryNet

The state of Georgia earned the nickname "The Empire State of the South" in the antebellum period largely because of its textile industry. From 1840 until 1890 the state consistently led the South in textile production,

value from \$20.2 million in 1790 to \$108.3 million by 1807. 2 But while exports rose, exorbitant internal transportation costs hindered substantial economic development within the United States. In 1816, for instance, \$9 could move one ton of goods across the Atlantic Ocean, but only thirty miles across land.
