-- Publisher description

First Edition copy
In an increasingly diverse society, the necessity for intercultural communication is becoming more

Read Book

Intercultural

Communication
Fred Jahod

apparent. This book is comprehensive, current in its approach to cultural differences and organized clearly. Divided into 21 chapters, the book guides the student through the key concepts of communication and culture with a chapter for each main area such as interpersonal, nonverbal, multicultural and subcultural. While the

Read Book

Intercultural

mainstream cultural divisions are well defined, Fred E Jandt also looks at subcultures and aspects of cultural variance and assimilation such as use of language, immigrant acculturation and sexual preferences. Much of the material in the book is designed to help students build communication skills with particular emphasis on crossing

Read Book

Intercultural

cultural barriers. The emphasis on experiential learning through student activities is aided by use of the student workbook.

Conflict and Communication introduces students to important theories, key concepts, and essential research in the study of conflict, along with practical skills for

Read Book

Intercultural

managing conflict in their daily lives. Author Fred E. Jandt illustrates how effective communication can be used to manage conflict in relationships and within organizational and group contexts. Along with foundational coverage of conflict styles, mediation, and negotiation skills, the text also features new and emerging models of

Read Book

Intercultural

Conflict Management, including chapters examining the challenges of conflict between cultures, a chapter on family and organizations, information on both face-to-face and online bullying, a detailed step-by-step guide for mediation, and more emphasis on online dispute resolution.

Read Book

Intercultural

This easy-to-read volume covers a wide range of material including a historical framework to view the development of current topics; an integration of media as a variable in the advancement of issues and ideas; and the key concepts of communication and culture. This new Third Edition retains its classic

Read Book

Intercultural

coverage of intercultural communication while updating and expanding topics to include racial profiling, the effects of immigration on cultures worldwide, and preservation of indigenous cultures and languages.

The goal of this revised edition is to explore multiple perspectives in

Read Book

Intercultural

Communication

communication that are grounded in the everyday communication experiences of study. The

essays in this edition

range from the classic writings of E. T. Hall,

Gerry Philipsen and

Geert Hofstede to more

recent scholarship

influenced by critical

theory and cultural

studies.

Read Book Intercultural Communication

Books on intercultural communication are rarely written with an intercultural readership in mind. In contrast, this multinational team of authors has put together an introduction to communicating across cultures that uses examples and case studies from around the world. The book further

Read Book

Intercultural

Communication
Fred Janot

covers essential new topics, including international conflict, social networking, migration, and the effects technology and mass media play in the globalization of communication. Written to be accessible for international students too, this text situates communication theory in a truly global
