This is the very first kind of game that has Twilight Princess as its launching title. The world found on this game is a whole lot bigger compared to the Ocarina of Time, and at the same time, the graphics is much better comparing it to the Wind Waker. In this game, Link now travels together with Midna and their means of traveling would be with the use of shadow and light so that they would be able to see the Twilight that covered the place of Hyrule.
