Creating a brand identity is a fascinating and complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this multifaceted process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity, including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients, rebranding and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world, including a diverse range of industries - digital media, fashion, advertising, product design, packaging, retail and more.

In Logo Design Love, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last.

Whether you're the project manager for your company's rebrand, or you need to educate your staff or your students about brand fundamentals, Designing Brand Identity is the quintessential resource. From research to brand strategy to design execution, launch, and governance, Designing Brand Identity is a compendium of tools for branding success and best practices for inspiration. 3 sections: brand fundamentals, process basics, and case studies. Over 100 branding subjects, checklists, tools, and diagrams. 50 case studies that describe goals, process, strategy, solution, and results. Over 700 illustrations of brand touchpoints. More than 400 quotes from branding experts, CEOs, and design gurus. "Designing Brand Identity is a comprehensive, pragmatic, and easy-to-understand resource for all brand builders-global and local. It's an essential reference for implementing an entire brand system." - Carlos Martinez Onaindia, Global Brand Studio Leader, Deloitte "Alina Wheeler explains better than anyone else what identity design is and how it functions. There's a reason this is the 5th edition of this classic." - Paula Scher, Partner, Pentagram "Designing Brand Identity is the book that first taught me how to build brands. For the past decade, it's been my blueprint for using design to impact people, culture, and business." - Alex Center, Design Director, The Coca-Cola Company "Alina Wheeler's book has helped so many people face the daunting challenge of defining their brand." - Andrew Cecon, Executive Director, Marketing, FS Investments "If branding was a religion, Alina Wheeler would be its goddess, and Designing Brand Identity its bible." - Olka Kazmierczak, Founder, Pop Up Grupa "The 5th edition of Designing Brand Identity is the Holy Grail. This book is the professional gift you have always wanted." - Jennifer Francis, Director of Marketing, Communications, and Visitor Experience, Louvre Abu Dhabi

Brand Bible is a comprehensive resource on brand design fundamentals. It looks at the influences of modern design going back through time, delivering a short anatomical overview and examines brand treatments and movements in design. You'll learn the steps necessary to develop a successful brand system from defining the brand attributes and assessing the competition, to working with materials and vendors, and all the steps in between. The author, who is the president of the design group at Sterling Brands, has overseen the design/redesign of major brands including Pepsi, Burger King, Tropicana, Kleenex, and many more.

A revised new edition of the bestselling toolkit for creating, building, and maintaining a strong brand From research and analysis through brand strategy, design development through application design, and identity standards through launch and governance, Designing Brand Identity, Fourth Edition offers brand managers, marketers, and designers a proven, universal five-phase process for creating and implementing effective brand identity. Enriched by new case studies showcasing successful world-class brands, this Fourth Edition brings readers up to date with a detailed look at the latest trends in branding, including social networks, mobile devices, global markets, apps, video, and virtual brands. Features more than 30 all-new case studies showing best practices and world-class Updated to include more than 35 percent new material Offers a proven, universal five-phase process and methodology for creating and implementing effective brand identity

Ideal for students of design, independent designers, and entrepreneurs who want to expand their understanding of effective design in business, Identity Designed is the definitive guide to visual branding. Written by best-selling writer and renowned designer David Airey, Identity Designed formalizes the process and the benefits of brand identity design and includes a substantial collection of high-caliber projects from a variety of the world's most talented design studios. You'll see the history and importance of branding, a contemporary assessment of best practices, and how there's always more than one way to exceed client expectations. You'll also learn a range of methods for conducting research, defining strategy, generating ideas, developing touchpoints, implementing style guides, and futureproofing your designs. Each identity case study is followed by a recap of key points. The book includes projects by Lantern, Base, Pharus, OCD, Rice Creative, Foreign Policy, Underline Studio, Fedoriv, Freytag Anderson, Bedow, Robot Food, Together Design, Believe in, Jack Renwick Studio, ico Design, and Lundgren+Lindqvist. Identity Designed is a must-have, not only for designers, but also for entrepreneurs who want to improve their work with a greater understanding of how good design is good business.

Creating A Brand Identity is a complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this creative process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity, including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world, including a diverse range of industries such as digital media, fashion, advertising, product design, packaging, retail and more. Filled with tips and tricks on research, design and testing, this is essential reading for students, graduates and working designers exploring this area for the first time.

The NASA Graphics Standards Manual, by Richard Danne and Bruce Blackburn, is a futuristic vision for an agency at the cutting edge of science and exploration. Housed in a special anti-static package, the book features a foreword by Richard Danne, an essay by Christopher Bonanos, scans of the original manual (from Danne's personal copy), reproductions of the original NASA 35mm slide presentation, and scans of the Managers Guide, a follow-up booklet distributed by NASA.

Promote your business with clarity, ease, and authenticity. The Human Centered Brand is a practical branding guide for service based businesses and creatives, that helps you grow meaningful relationships with your clients and your audience. If you're a writer, marketing consultant, creative agency owner, lawyer, illustrator, designer, developer, psychotherapist, personal trainer, dentist, painter, musician, bookkeeper, or other type of service business owner, the methods described in this book will assist you in expressing yourself naturally and creating a resonant, remarkable, and sustainable brand. Read this book to learn: Why conventional branding approaches don't work for service based businesses. How to identify your core values and use them in your business and marketing decisions. Different ways you can make your business unique among all the competition. How to express yourself verbally through your website, emails, articles, videos, talks, podcasts... What makes your "ideal clients" truly ideal, and how to connect with real people who appreciate you as you are. How to craft an effective tagline. What are the most important elements of a visual brand identity, and how to use them to design your own brand. How to craft an exceptional client experience and impress your clients with your professionalism. How your brand relates to your business model, pricing, company culture, fashion style, and social impact. Whether you're a complete beginner or have lots of experience with marketing and design, you'll get new insights about your own brand, and fresh ideas you'll want to implement right away. The companion workbook, checklists, templates, and other bonuses ensure that you not only learn new information, but create a custom brand strategy on your own. Learn more at humancenteredbrand.com

New York Times bestselling author Donald Miller uses the seven universal elements of powerful stories to teach readers how to dramatically improve how they connect with customers and grow their businesses. Donald Miller's StoryBrand process is a proven solution to the struggle business leaders face when talking about their businesses. This revolutionary method for connecting with customers provides readers with the ultimate competitive advantage, revealing the secret for helping their customers understand the compelling benefits of using their products, ideas, or services. Building a StoryBrand does this by teaching readers the seven universal story points all humans respond to; the real reason customers make purchases; how to simplify a brand message so people understand it; and how to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.
