Understanding

For us, making sense of writing about learning and teaching means recognizing that it is not only a way to contribute to existing scholarly conversations but also a way to create new ones. Relatedly, it is a method for fostering the development of identities and clarifying values, and it is a medium for engaging in ongoing learning.

Education and Making Sense of 'Intentional Teaching' are complementary resources to support educators to further engage with the Early Years Learning Framework. The concepts of assessment and intentional teaching can be challenging to understand but are most important elements of analyzing and appreciating children's learning.

Making Sense: We want only the best for students.

Online lessons will end by 28 Nov. Certain elements of teaching eg interaction with students, checking student's workings and spontaneous asking of questions cannot be replicated in the virtual setting. We are excited that everyone will be moving back into physical class soon!
