Amazon.co.uk Customer reviews: My First Colours Let's ...

It is basically a color that isn't really focused on and seen. (Nor is it meant to be!) White is seen as pure and clean. White space can be very powerful and help learners to stay focused. Additionally, white is a good color for fonts when a background color may be too dark to use black. Pink is usually associated with sweetness, warmth, and energy. It's often described as a color of playfulness and fun.

The Colors of Learning—Learning Brothers

My First Colours. An introduction to basic colours. All the play pieces are designed especially big in size, to suit the developing motor skills. This enables an easy grip whilst helping to improve matching skills. Brightly coloured, beautifully illustrated puzzles and games suitable for children from 18 months.

My First Colours | Trezzy

At the same time toddlers, preschooler, and kindergartners will ...

Offers a first introduction to colours with bold, colour-themed pages featuring black-and-white, gold, silver, multi-coloured, and an 'I-spy' colours, shapes, and patterns page. With many fun-filled pictures, simple questions and things to name, this title helps your toddlers discover first colours.

Introduces primary colors and features tabs on each page that correspond to a color. On board pages.

Help your toddler learn all about colors in My First Colors. With colorful, bright photographs alongside clear word-labels your little one will begin to recognize red from yellow and even multi-colored objects too. Each page introduces one color using objects or animals to fully engage your toddler and keep early learning simple. Perfect for encouraging children to build vocabulary and language skills My First Colors helps toddlers grasp early concepts. Read it together and help them turn the pages and learn all about color.

Introduces a variety of colors by grouping objects with the colors by which they are commonly known. On board pages.

This is a great first introduction to colors with bold, color-themed spreads: featuring red, yellow, blue, green, orange, pink, purple, brown, black-and-white, gold, silver, multi-colored, and an "I-spy" colors, shapes, and patterns page.

My First Animals: Let's Squeak and Squawk! helps kids develop first language skills by introducing them to a world of incredible animals. Each tabbed section focuses on a different category of animals, from birds to mammals to sea creatures.

Roger Priddy's Simple First Words Let's Say Our Colors is an adorable, effective introduction to the wonderful world of colors. By pressing the buttons and matching the sounds to the pictures again and again, children will quickly and easily learn to identify colors and develop their speech. Children and parents will love the bright photographs and questions to encourage learning on every page. Now with even clearer audio!

Introduces colors in a text that asks what color something is and has a flap that reveal the answer.

Part of DK's successful My First board book series, My First Shapes features images with clear labels and was created with a preschooler's stage of educational development in mind. Preschoolers can learn about all different shapes in My First Shapes, an informational board book featuring images of triangles, rectangles, stars, hearts, and more, and including a toy train scene with all the My First Shapes called out. The bold, beautiful images are labeled clearly, promoting early learning and language skills, and the pages are filled with the distinctive, iconic design of DK's My First series. Made with toddlers ages 0-2 in mind, the book's sturdy format is ideal for small hands to hold and carry. Whether read alone or with an adult, My First Shapes encourages independent learning as preschoolers get to know all the basic shapes.

Hands-on fun for you and your toddler as you learn about animals with this tabbed board book from My First With lots of colourful pictures, fun-filled questions on pets, farm animals and even mini-beasts, your toddler will love learning about animals which squeak and squark with this tactile board book. Read it together and help them turn the pages using the easy-grip picture tabs; from counting tropical fish to pretending to talk like a parrot, fun questions on every page will help develop early speaking and listening skills. A great way to teach your child about animals.
