The new 5th edition of the National Directory of Corporate Giving performs a unique service for fundraisers eager to pursue corporate grants: it gives you reliable, fact-filled, and up-to-date entries on 2,895 foundations and direct giving programs. Corporate funders often make grants that reflect the business interests of their parent companies -- and grantseekers like yourself must discover these funding priorities before submitting your proposals. The new 5th edition of the National Directory provides an efficient and effective way to get the inside track on your corporate prospects. It will save you research time and effort by helping you to:

A directory and guide to those national and international corporations which make charitable donations internationally. * Coverage of some 1,200 national and multinational businesses * Provides points of contact for each organization * Truly international coverage, covering over 100 countries * Information is obtained from the organizations themselves, wherever possible, to ensure accuracy. Includes: * Alphabetically arranged entries * Each entry contains the corporation's name, postal, internet and e-mail addresses, telephone and fax numbers, details of charitable activities, philanthropic expenditures, restrictions on grants, geographical area of activity, principal staff and key contact names * Includes essays on corporate social responsibility * Provides details of international co-ordinating and assistance organizations dealing with corporate philanthropy * Fully indexed by country, giving main activities and area of activity.
