From the publisher VK global publications Pvt. Ltd. Is a household name now. Established in 1979, with more than three decades of leadership in the area of economics and commerce, we take pride in claiming that we continue with the unstirred readership in the country. Specialising in the area of economics and commerce, we are not averse to the idea of diversification. Keeping this in view, more than a decade ago, a series of 'exam ideas' Was launched in all the subjects For classes IX -XII, however, the success of our publication is admittedly due to prudent prolific writers. We have a resource pool of reputed authors, who leave no stone unturned in bringing out the best of study material, which makes our readers versatile in their thought processes and equips them with exam-oriented acumen. Thousands of acknowledgment and accolades that we receive every year from our readers are a good testimony to the genuine efforts and trustworthy endeavors of our authors the book has been designed topic and subtopic-wise, keeping the students' needs in mind.

This report presents the conceptual foundations of the OECD Programme for International Student Assessment (PISA), now in its seventh cycle of comprehensive and rigorous international surveys of student knowledge, skills and well-being. Like previous cycles, the 2018 assessment covered reading, mathematics and science, with the major focus this cycle on reading literacy, plus an evaluation of students' global competence - their ability to understand and appreciate the perspectives and world views of others. Financial literacy was also offered as an optional assessment.

This edition has been thoroughly revised and enlarged. It is still considered to be a must for all those sitting Civil Engineering examinations.
