Origami for Children is the perfect introduction to origami, the fun Japanese papercraft for parents and children of all ages. Divided into six sections, the projects cover a whole range of themes, from classic origami designs such as animals to party decorations and modern vehicles. There's even a project showing how to create the classic Japanese arcade character PacMan. You'll be amazed at how much you can create using sheets of paper and a few simple folds. Every stage is described in a series of clear step-by-step photographs, showing all the techniques you will need to complete each of these great designs.

Create 37 figures with clear, step-by-step instructions and helpful diagrams. Simple to advanced objects include rocket, mouse, elephant, violinist, Viking ship, and many more.

This pack contains 500 high-quality origami sheets printed with colorful and traditional Japanese Washi Patterns. These paper patterns were developed to enhance the creative work of origami artists and paper crafters. The pack contains 12 designs unique to this pack, and all of the papers are printed with coordinating colors on the reverse to provide aesthetically pleasing combinations in origami models that show both the front and back of the papers. Through this fascinating story we experience the adventure, the painstaking work, the magic, the excitement and the awe through the eyes of the "tomb raider" himself, archaeologist Howard Carter. This book tells the story of one of the greatest archeological discoveries ever, the discovery of the intact tomb of the 18th Dynasty Pharaoh, Tutankhamun (colloquially known as "King Tut" and "the boy king"), in November 1922.
