wrote several books about the country. While leading a National Geographic expedition, Frost discovered the pre-Inca site of Qoriwayrachina. In 1977 Frost was one of the founding members of South American Explorers, a nonprofit travel, scientific and educational organization.

Peter Frost - Wikipedia

Unlike the writers of other travel guides that are available for the Cusco area, Peter Frost is an insider who has lived in the area for more than thirty years. During the time that he's spent in these parts, he's explored into the nooks and crannies of the area, and through his endless adventures, he's grown to know the area better than almost anybody out

Explorer Peter Frost: Discovering Inca Architecture, Ruins ... Frost tallies the rest of the Pizarro clan: Gonzalo executed in 1548 for rebelling against the Spanish crown; Francisco was assassinated in Lima in 1541 by rivals; Hernando spent 20 years in a Spanish prison for either provoking Manco's rebellion, killing a Spanish nobleman or both. He died an old man whose wills and other efforts to control his vast fortune all ended in naught.

EXPLORING CUSCO: Frost, Peter: Amazon.co.uk: Health ...
Peter Frost in “Exploring Cusco” says that when the anthropologists arrive, the gods depart. Too much work to get everything down to bare stones with no vegetation, no lichens, no wilderness to entrance the imagination into picturing what it once was. Too many government departments with some control over the site.
