An absorbing novel of romance and revolution, loyalty and family, sacrifice and undying love We have three souls, or so I'd been told. But only in death could I confirm this.... So begins the haunting and captivating tale, set in 1935 China, of the ghost of a young woman named Leiying, who watches her own funeral from above and wonders why she is being denied entry to the afterlife. Beside her are three souls—stern and scholarly yang; impulsive, romantic yin; and wise, shining hun—who will guide her toward understanding. She must, they tell her, make amends. As Leiying delves back in time with the three souls to review her life, she sees the spoiled and privileged teenager she once was, a girl who is concerned with her own desires while China is fractured by civil war and social upheaval. At a party, she meets Hanchin, a captivating left-wing poet and translator, and instantly falls in love with him. When Leiying defies her father to pursue Hanchin, she learns the harsh truth—that she is powerless over her fate. Her punishment for disobedience leads to exile, an unwanted

marriage, a pregnancy, and, ultimately, her death. And when she discovers what she must do to be released from limbo into the afterlife, Leiyin realizes that the time for making amends is shorter than she thought. Suffused with history and literature, *Three Souls* is an epic tale of revenge and betrayal, forbidden love, and the price we are willing to pay for freedom.

Rebecca has been captured and awakens alone in the dark, not knowing where she is. She can feel that Llyr is alive, but cannot contact him through the soul link. Chained to a wall and without magic, she must find a way to survive and escape. Llyr was defeated by his brother and witnessed the fall of the tower on Avalon. Being separated from Rebecca has created a problem: the soul link is draining his body of all strength. Despite not being able to stand on his own, he's determined to return to his world and save Rebecca from the Archwizard. Without Havaar to guide him, he must rely on the ghosts of Havaar's school to find a way home.

Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of *The Battle and Victory of the Soul*, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. It's a spiritual wealth of hope and healing that may just bring new light to the darkest days.
