Introduces the concept of hypnosis, describes exercises designed to teach basic techniques, and discusses regression and self-regression

Hypnosis is a proven technique that allows people to reprogram their subconscious to change unwanted behaviors. Most books on self-hypnosis require the reader to memorize or record scripts, then put the book aside while they do their hypnosis work. But Instant Self-Hypnosis is the only self-hypnosis book that allows you to hypnotize yourself as you read, with your eyes wide open, without putting down the book. The author's fail-proof method allows you to put yourself into a hypnotic state and then use that state to improve your life in myriad ways. And because the hypnotic state is induced while you read, you remain aware of your surroundings and can bring yourself back to normal consciousness slowly and gently, using the instructions provided.

This book is written in terms that are comprehensible to the layman. The step-by-step instructions should afford the reader a means of acquiring self-hypnosis. The necessary material is here. The reader need only follow the instructions as they are given. It is the author's hope that you will, through the selective use of self-hypnosis, arrive at a more rewarding, well-adjusted, and fuller life.

Train yourself in deep self-hypnosis—and tap into the power of your subconscious mind—to correct negative behaviors and reach your full potential Self-hypnosis can be a great tool to overcome obstacles in our lives. Self-Hypnosis Made Easy gives the reader the skills to train themselves into deep hypnotic trances, getting rid of negative thoughts and behaviors, and improving any aspect of their life that they want to change. In this book, readers will discover: □ Easy-to-follow, step-by-step techniques for self-hypnosis □ Practical exercises to help deepen a hypnotic trance □ How hypnosis can help them stop smoking, eliminate phobias, reduce weight, sleep better—and more □ How hypnosis can help overcome a major illness For total beginners and improvers alike, this book is an excellent resource to learn self-hypnosis right from a hypnotherapy trainer.

Getting that promotion at work or losing those last five pounds can be a struggle, but goals like these can be accomplished - with self-hypnosis! Whatever obstacles you want to overcome or goals you aim to achieve, this book can help you do it. With this informative resource, you will learn to: break bad habits like nail biting; ease severe pain, such as from migraines or labor during childbirth; ensure confidence and success in business and personal matters; quit smoking for good; lose weight and keep it off; improve memory retention; and reduce stress - in relationships, at home, and at work; and more! Written by a board-certified hypnotherapist, this authoritative guide can help you create your own self-hypnosis scripts to create the life you always wanted. From tearing down mental roadblocks to making permanent changes, readers will be on their way to success in no time!

Some books tell you what to change. This one tells you how! Master the powers of the mind, open the gateways to your subconscious, and seize control of your life. If you've been struggling to modify deeply ingrained habits, or reach any difficult-to-achieve goal, willpower alone may not do the trick. The

secret to success lies deeply buried in the unconscious, and one of the world's foremost hypnotherapists will show you point by point how to make a commitment to change, get motivated, and alter the ingrained negative "programming" that's holding you back. With this self-hypnosis handbook, you'll learn innovative empowerment exercises that teach relaxation, stress management, overcoming insomnia, and establishing priorities. Avoid the "failure trap" by clearing psychic obstacles. "Creatively" daydream to stop smoking, lose weight, and improve job performance, memory, study habits, and more. Add on the proper use of affirmations, and fine-tune the ability of language to heal or harm. Find out the four important trance ingredients (imagination, belief, expectancy, and conviction) and use the practical tips on how to build them up and employ them in your journey into self-hypnosis. 144 pages, 7 x 10.

Most people have habits they want to break, behaviors they want to change, or stresses they long to eliminate. Dr. Miller reveals how hypnosis can also be practiced by individuals as an easy, inexpensive way of improving their lives and healing common health problems such as weight loss, smoking cessation, substance abuse, sleep, sex, nervous disorders, fatigue, and other habits.
