Hiding is Roo Fanshaw's special skill. Living in a frighteningly unstable family, she often needs to disappear at a moment's notice. When her parents are murdered, it's her special hiding place under the trailer that saves her life. As it turns out, Roo, much to her surprise, has a wealthy if eccentric uncle, who has agreed to take her into his home on Cough Rock Island. Once a tuberculosis sanitarium for children of the rich, the strange house is teeming with ghost stories and secrets. Roo doesn't believe in ghosts or fairy stories, but what are those eerie noises she keeps hearing? And who is that strange wild boy who lives on the river? People are lying to her, and Roo becomes determined to find the truth. Despite the best efforts of her uncle's assistants, Roo discovers the house's hidden room--a garden with a tragic secret. This tale full of unusual characters and mysterious secrets is a story that only Ellen Potter could write. The Humming Room was inspired by *The Secret Garden*, a classic that Ellen Potter has reread every year of her adult life. See how these two works complement each other with this special e-book bonus – the entire text of Frances Hodgson Burnett's original novel. Just keep reading.

Ultra-snobby Clara Frankofile has everything an eleven-year-old girl could want. She 's fabulously wealthy, she lives alone in a penthouse apartment with its own roller coaster, and all of New York City is afraid of her! Each night at the Pish Posh restaurant, she watches the glittery movie actresses and princesses, and decides who is important enough to stay and who she will kick to the sidewalk in disgrace. But Clara 's world is turned upside down when she discovers that a peculiar mystery is happening in the restaurant, right under her upturned nose. With the help of a whip-smart twelve-year-old jewel thief, Clara embarks on a wildly dangerous mission through the streets of New York to solve a 200-hundred-year-old secret.

Life in a small town can be pretty boring when everyone avoids you like the plague. But after their father unwittingly sends them to stay with an aunt who's away on holiday, the Hardscrabble children take off on an adventure that begins in the seedy streets of London and ends in a peculiar sea village where legend has it a monstrous creature lives who is half boy and half animal. . . . In this wickedly dark, unusual, and compelling novel, Ellen Potter masterfully tells the tale of one deliciously strange family and a secret that changes everything.

After surviving the crazy events of his first weeks in New York City, nine-year-old Otis Dooda is starting out at a brand-new school. He would love to make a good impression, but life in Tidwell Towers is never that easy. With his disgusting seatmate, the possible impending alien invasion, and the introduction of his new nemesis, Sid Frackas "The Greatest LEGO Genius Who Ever Lived" (a title Otis thought was his!), things are getting downright dangerous! Otis Dooda: Downright Dangerous, the second title in this hilarious chapter book series, again pairs Ellen Potter's unique voice with David Heatley's vivid and engaging illustrations to share the story of a sort-of-average boy with a not-so-average life.

HARDY-HAR-HAR! Meet Otis Dooda. Yes, that's his name. Go on and have a good laugh. He's heard it all before. He's been called things like Otis Poopy Stink and Otis Toilet Twinkie. That's right, yuck it up and get it out of your system. We'll wait. All right then. This is the story of Otis and the Dooda family (including their rat named Smoochie) moving to New York City, and the incredibly strange, but true, things that happened to them. It all started with Otis getting cursed by a guy in a potted plant in their apartment building lobby, and then meeting a bunch of their neighbors, including a farting pony named Peaches who was disguised as a dog. And that was just the first day.
