The Story Of Buildings From

The Story of Buildings is a
gorgeous hardcover book that

Where To Download The Story Of Buildings From

The Pyramids To The Sydney Opera House And Beyond

measures approximately 12" x 10". Picking it up for the first time, it looked a bit like a coffee table book for kids, which I guess it could be used as such. The book begins with a chapter on building a house.

Buildings: Amazon.co.uk . . .

The British English word
'storey' (plural storeys)
and the American English
'story' (plural stories)
refer to a level element of
a building that has a
useable floor. The term may

Where To Download The Story Of Buildings From

The Pyramids To The
Sydney Opera House And
Beyond

be used interchangeably with
'floor', 'level', or 'deck';
however, it is usual for a
building to be described as
a 'ten-storey building'
while the individual storey
may be referred to as the
'tenth floor'.
