Work-life balance is something that is often spoken about in the education sector, but is often difficult to achieve. In our 2018 Teacher Wellbeing Index 74% of education staff say the inability to switch off from work is the major contributing factor to a negative work-life balance. According to findings from the Office of National Statistics, almost one in two (48.4 %) of adults aged 16 and over in Great Britain report a relatively low satisfaction with their work-life balance.
