We're taught that the United States of America, as we know it, spawned from thirteen original colonies. As it turns out, one of those colonies, Delaware, wasn't officially a colony until 1776—just before, you know, the whole revolution thing kicked off. Before then, for the majority of the 18th century, it was a colony of Great Britain.

American history is filled with some amazing stories. The thing is, some of them aren't exactly true. Just like any country's history, the United States has plenty of historical records that are really just great exaggerations. Many of these exaggerations have been repeated so often that we no longer recognize them as myths.
